## Adding to cart:

On the main page, each individual card represents a shop item the user can add to their cart. The size of the tea can be customized through the dropdown button on the bottom left corner of each card. Clicking add to cart will add the specified quantity of tea into the user's shopping cart, and trigger an alert message at the top of the screen.

## Navigation:

Users can navigate to the home page to add more items by clicking on the Uof[Good]Tea name at the top left corner of the screen.

They can then navigate to their shopping cart by clicking on the checkout button to the right of Uof[Good]Tea.

## Discounts:

A 10% quantity discount is automatically applied if the user chooses the 100g option.

A 20% quantity discount is automatically applied if the user chooses the 200g option.

In addition, users can navigate to checkout, enter the promo code "uoft15" to receive another 15% discount on the subtotal.

The prices before tax are rounded to the nearest dollar after discounts are applied.

## Remove from cart:

Individual items can be removed by clicking on "Remove From Cart" on the checkout page.

In addition, you can also refresh the checkout page by hitting f5 to reset your shopping cart.

Please note that navigating by clicking on Uof[Good]Tea or the checkout button will preserve the shopping cart.

## Final amount:

Click on the “Confirm” button at the bottom of the checkout page to receive a popup alert with the after tax amount of your order.
